

# CITY YEAR'S MLK SERVICE DAY

## WHAT IS MLK SERVICE DAY?

Every year City Year Seattle/King County honors and celebrates the legacy of Dr. Martin Luther King Jr. by hosting a large scale service project at one of our key partner schools. During this service day, volunteers from the community come out to revitalize the partner school's campus for students, faculty, and staff.

At City Year, we believe MLK Day is an opportunity to actively serve as a community and further student support by providing a safe and clean learning environment. This is a family friendly event, open to all who want to invest in our next generation of leaders. Together, we hope to further Dr. King's belief that "Everyone can be great, because everyone can serve".

## WHAT TYPE OF SERVICE PROJECTS HAPPENS ON MLK DAY?

There are various service projects that can occur during MLK Service Day. City Year works closely with the partner school's staff, faculty, and students to determine which projects to do based on the school's needs. Some example projects include:

As part of our expression of our gratitude, some of our students posed in front of the AWESOME new mural that is now just across from our classroom (Room 142), thanks to the recent MLK, Jr. service event that occurred at our school! We LOVE THIS MURAL, and ALL of our school's improvements from this service day!
