

Orca Recovery Day

Volunteer Events

Invasive Weed Removal & Site Preparation

Come get your hands dirty and help make room for a more diverse and healthy habitat by removing invasive species.

Orca Recovery Day Native Planting

Help plant a pollinator meadow to enhance biodiversity, provide habitat, and support salmon & orca populations.

Drop by one or both events, beginning at 9am on October 10 & 17! All supplies will be provided.

Hilburn Preserve
