Washington Reading Corps Learning Community

This living document is a tool for Reading Corps members to exchange best ideas and practices to help develop and implement strategies and techniques to aid in providing virtual service. This process improvement form is completely voluntary but can be used to gain additional service hours (1 form = 1 hour).

Name: Service Site:

Instructions:

- Download Learning Community document.
- Enter your name and service site above.
- Fill out boxes below and save your copy.
- Email your WRC Coordinator.
- Come back to our website to check out other tactics!
- The boxes have limited space and will not automatically adjust the font: please limit your entry in each box to 500 characters (including spaces); or if you need more room, please download another form to continue.
